Please answer the following questions:

1. Do you have a map of existing or planned garden? If yes, please provide the garden layout.

2. Does the proposed site of the garden have a water source nearby?

3. How will the garden be used? For example: butterfly garden, vegetable or herb garden

Who will be using this garden? Age (grade level) and subject area number of individuals.

4. How many people are involved with the garden on a yearly basis? Do you have a plan for volunteer work to maintain the garden? Who will be maintaining the garden?

5. Are there funds available for this garden project?

6. Are there plans to use the food from the garden within the school? Within the neighborhood? For specific community service projects?

Gardens are selected on the basis of the following criteria: plans are well-defined, and include a workable timeline; the size of the garden is manageable for the number of committed volunteers for the project, a committed partnership of people is involved, the plan has a high potential for success, the garden will benefit a community with food security needs.
